

## ADR STRATEGIES

### JOAN B. KESSLER, JD, PhD

You are receiving this communication as a result of your interest in alternative dispute resolution.

A mediation is an opportunity to “think outside the box.” Please remember:

- Even though litigants may have hard feelings and hostility between them, there may be a monetary, business or other reason to have a continuing relationship.
- Explore unpopular avenues that may be totally unacceptable at the beginning of the mediation, but may look better as the process unfolds.
- Keep an open mind.
- Think positive. This matter will settle.

Many years ago I received a Ph.D. from the University of Michigan in Communications. Before I went to law school I taught interpersonal relations, group interaction, conflict resolution, intercultural communication courses and served as a jury consultant. I apply the communication issues and solutions I taught, coupled with 30 years of legal practice experience to my alternative dispute resolution practice. I am, also, pleased to serve on the Board of Governors of Loyola Law School and to be Managing Director of CaseXplorer®Arbitration™ (CXA), the innovative online arbitration evaluative tool. Feel free to call me to discuss CXA. To find out more information on CXA, click on the following link: CaseXplorer Arbitration.
