

ADR STRATEGIES

JOAN B. KESSLER, JD, PHD

You are receiving this communication as a result of your interest in alternative dispute resolution.

Sometimes litigants and counsel tell me that a case cannot be settled. Yet I have recently settled various matters after the parties lost all hope and gave last and final numbers that appeared far apart. Mediator's Proposals settled these matters shortly after the face to face session ended.

Counsel and parties worked very hard and these cases settled because:

- Patience pays off. Everything can be settled if we hang in there.
- Even if parties are geographically and financially far apart, matters may be resolved. Telephone and email communication may be helpful in continuing towards resolution.
- Never say "Never!"

I am delighted to be named in 2017 SuperLawyers for the 10th year. Many years ago I received a Ph.D. from the University of Michigan in Communications. Before I went to law school I taught interpersonal relations, group interaction, conflict resolution, intercultural communication courses and served as a jury consultant. I apply the communication issues and solutions I taught, coupled with my 30 years of legal practice experience to my alternative dispute resolution practice. I am, also, pleased to serve on the Board of Governors of Loyola Law School and to be Managing Director of CaseXplorer®Arbitration™ (CXA), the innovative online arbitration evaluative tool. Feel free to call me to discuss CXA. To find out more information on CXA, click on the following link: CaseXplorer Arbitration.
