

ADR STRATEGIES

JOAN B. KESSLER, JD, PHD

You are receiving this communication as a result of your interest in alternative dispute resolution (ADR).

As we approach the Thanksgiving holiday, I reflect on all that I have to be thankful for.

- I am thankful that I was able to resolve so many challenging matters with so many challenging personalities through mediation.
- I am thankful for the prompt conclusions to cases through arbitration.
- And I am particularly thankful for all of you who have been so supportive of me this year.

All best wishes to you and your family for a healthy and happy Thanksgiving.

Many years ago I received a Ph.D. from the University of Michigan in Communications. Before I went to law school I taught interpersonal relations, group interaction, conflict resolution, intercultural communication courses and served as a jury consultant. I apply the communication issues and solutions I taught, coupled with over 25 years of legal practice experience to my alternative dispute resolution practice.
